BY CAR

The easiest way to us is from the M40 motorway – we’re just 3 miles from J6.

From Birmingham turn right at the bottom of the slip road.

From London turn left at the bottom of the slip road.

Continue into Watlington (about 3 miles), until you pass the Fat Fox Inn on the right.

When you get to our Town Hall (the oncoming traffic has right of way, so please yield to them) you have two choices: turn right and keep your fingers crossed you’ll find one of around a dozen parking spaces on the High Street, or play it safe and turn left where you’ll find a public car park in Hill Road on the right. Whichever you choose, you’ll find us just off the High Street, on the left of a driveway between K for Kitchen and The Granary Deli.

BY PUBLIC TRANSPORT

The simplest is to use the Oxford Tube – a fab coach service between Oxford and London that stops at Lewknor and runs, usually, around every 15 minutes.

If you’re travelling from London, we suggest you ring us when the coach stops at Hillingdon and we can track it from there, meeting you at the coach stop at Lewknor.

If you’re travelling from Oxford, we suggest you ring us when you’re at Thornhill Park & Ride and we can track it from there, meeting you at the coach stop at Lewknor.

Alternatively, if you’re coming by rail, then Princes Risborough on the Chiltern Line (from London Marylebone to Birmingham Snow Hill) is your best bet. Let us know which train you’re catching and we’ll meet you at the station.
